ii.

17. Areas of Interest:

Academic	1.Academic works in the reconstruction of society from the historical values as explored in history. ii.All the disciplines of Social science are the areas of interest because they are related with history in the reconstruction of present society .
Non Academic	i. ii.

18. Any Other: Guiding the morality and carrier of the students for the productive attitude from the national perspective is the prior interest of my carrier as teacher. Colleges and Institutions shall produce capable citizens in return for the financial investment in it. Colleges and education institutions are not profit making company and cooperation. A teacher shall return in the terms of resource for the salary he received from the authority. The governments shall imprve the infrastructures in the changing environments. A dedicated teacher without tools he has noability to impart knowledge to the students.
